HELLO, I AM JACK! *from New Zealand*

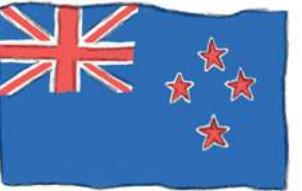

Hello, I am Jack
from New Zealand!
Come inside and meet
my family and my friends...

My name is Jack. I am eight years old.

I live in Auckland, the biggest city in New Zealand.

New Zealand is a country with two big islands: the North Island and the South Island. We have mountains, lakes, volcanoes, and beautiful beaches!

In Auckland, there is a very tall building called the Sky Tower.
From the top, we can see the whole city and the Domain,
a big park with beautiful trees.
Look at the sailing boats. How many can you see?

In New Zealand, we have a bird called the kiwi. It's very cute. But it can't fly because it has no wings. Kiwi is also the name of a yummy fruit. It is small and green inside. And guess what? The people of New Zealand are also called Kiwis! But please don't eat us!

I live with my family in a bungalow in the South Island.
A bungalow is a small house with no stairs.
I like to play cricket in our backyard.
I have a sister called Ella. She likes to play netball.
Netball is like basketball, but you can't bounce
the ball on the ground!
