TIME EXPLORERS SERIES

By best-selling author Alain Surget!

Nanie, Yann and Loup share a passion for History and adventure. When Gaspard, their old scientist friend, invents a fantastic time machine, they become the ‘Time Explorers’. Their mission? Going back in time to save princes, kings and keep History on track!

Book 1 • PANIC IN THE PYRAMIDS

Eager for adventure, Yann, Loup and Nanie love to meet at Gaspard’s house. Today, this extravagant old inventor has great news: his time machine is working, and the three friends will be able to travel back in time! First trip? Ancient Egypt of the Pharaohs. But it seems that Anubis, god of the dead, has other plans...

If our three heroes wish to return to their time, they must first save Khafre, heir to the throne of Egypt! A mission that will prove to be perilous. Accompanied by Princess Merites, the three friends will travel the country and meet a «Shadow Swallower», killer and henchman of Djedefre, Khafre’s brother and evil Pharaoh, ready to do anything to keep his throne.

Book 2 • ATTACK ON TROY

Sent by the old inventor Gaspard to the heart of the Trojan War, Nanie, Yann and Loup have a mission: to find King Priam’s treasure. But when they arrive, they discover a plot organised by two traders and a Trojan high priest. Wishing to hasten the end of the war to resume their activities, they kidnap Astyanax, son of Hector, during a banquet. With no hesitation, our three heroes go in search of the young boy. They infiltrate the Greek and Trojan camps in turn, posing as envoys of the god Chronos. If they do not find Astyanax, the outcome of the entire war is in jeopardy ...

But the Time Explorers are ready to face any danger to get history back on track!

Book 3 • YOU TOO, CESAR

Nanie, Yann and Loup’s new adventure takes them inside a major event of Ancient Rome, the triumph of Cesar! Our heroes are thrilled at the idea to see the return of the Emperor from Egypt with Cleopatra. But new enemies are plotting against the foreign queen, and to make things worse Nanie is abducted and sold as a slave! The time explorers will make an unexpected encounter that may have huge consequences...

Ages: 10-12 - 14 x 21,5 cm - 208 pages - Paperback with flaps

MYSTERIES SERIES

By best-selling authors Alain Surget & Louis Alloing

A great series of mysteries and travel adventures, illustrated in the spirit of Hergé's Tintin & Snowy, from age 7.

MYSTERIES IN TOKYO

Alex Moury's class is awarded a scholarship to go and visit Japan and discover its history, culture and traditions. On the first night at the hotel, Jasper, one of the children, comes face-to-face with a dragon wearing a samourai armour that haunts the place. Is there a link between this apparition and a yakuza attack, a mysterious man named Mr Imozu who keeps following the children and a very strange thief who seems to be interested only in... empty luggage?

Ages: 7-9 - 13 x 18 cm - 96 pages - Paperback

MYSTERIES IN THE TRANSSIBERIAN RAILWAY

Ready to explore Russia, Alex Moury's class sets off on a long journey aboard the legendary Transsiberian railway! But during their visit, the pupils notice a spy secretly following them. Is their teacher hiding a secret? Is he in danger? The children are determined to find out!

Ages: 7-9 - 13 x 18 cm - 96 pages - Paperback

MYSTERIES IN MAYA COUNTRY

Alex Moury's class travels to the Yucatan region of Mexico. But while traveling by canoe, some of the pupils get lost in the jungle and are chased by wild animals and traffickers. Desperate to find some shelter, they reach a deep cave that leads to a pristine Mayan city. They discover that the city is... inhabited! In order to keep their secret, will the Mayans let the children go?
